2010 PLANTS

Plant a Tree and Save our Biodiversity

A green initiative by the Institute of Parks and Recreation Singapore (IPRS) and the Rotary Club of Victoria to plant 2010 plants in support of the Garden City Fund and the United Nations International Year of Biodiversity.

~A SPECIAL INVITATION~

You are cordially invited to the soft launch of '2010 Plants' and networking event for all green ambassadors and supporters of this green project.

Venue: Manchester United Café Bar @ 32 Boat Quay (near UOB Centre)

Date: Friday, 16 July 2010, 7.30pm

(Cover charge @ SGD\$20 incl. finger food & soft drink)

Please RSVP to Maria at IPRS@gmail.com / Rovena at Rovena@brandlah.com

GIFT OF LIFE

Do you know that each of us have our own unique carbon foot prints?

The more electricity, gas and fuel you use, the higher your carbon foot prints.

Plant a tree and offset YOUR carbon emissions. Trees help to reduce the impact of your polluting lifestyle by absorbing carbon dioxide AND producing life-giving oxygen for your loved ones and the community. They also create habitats for wildlife and insects and preserve our biodiversity for the generations to come.

***Please fill up the attached form and dedicate a tree to your loved ones today.**

TREE DEDICATION CEREMONY

Date: Oct 2010 (exact date to be confirmed)

Venue: To be allocated by National Parks Board (Nparks)

*Donate a young tree at SGD\$200 each and plant your own trees during our tree dedication ceremony. The cost of young trees donated to the Garden City Fund are **250% tax-deductible**.*

An additional fee of SGD\$50/ tree will be charged by the Institute of Parks and Recreation Singapore (IPRS) for administration, gardening paraphernalia, refreshments and a goody bag.

Featuring

ASHATAAR OF THE RAINFOREST

Ambassador and custodian of our biodiversity

Concept created by Brandlah Marketing Consultancy Pte Ltd
